WELCOME

Welcome to the third New Jersey High School Hockey Hall of Fame Ceremony. The sport has come a long way in the Garden State since the formation of the North Jersey Scholastic League in the winter of 1958 - 59. Only five teams were involved in league competition at that time.

The Sport began to take off after the first state championship game was held in March of 1976 at Mennen Arena, between Brick and Chatham Township . Now there are more than 200 high school hockey teams in the state of New Jersey.

Today, recognition is given to the athletic achievements and exceptional service of 17 individuals and two teams.

Congratulations to all of the 2014 honorees and their families.

HALL OF FAME

The Livingston Lancers Ice Hockey team would like to congratulate the 1979-1980 Lancers, and all the 2014 class of inductees on their induction into the N.J. Hockey Hall of Fame.

A tremendous accomplishment and we are proud of all of you!

Brandon

Some of our favorite childhood memories involved watching you play hockey at rinks all over the country. The way you played was simply breathtaking and incredibly fun to watch! We can't think of a more deserving person to receive such an amazing honor! There is no doubt in our minds you earned it and we could not be more proud of you!

Love Always,
Ashley, Merv & Sloan
JR aka Buzz & Donna

The Board of Directors of the New Jersey High School Ice Hockey Hall of Fame would like to sincerely thank the New Jersey Devils for their sponsorship of this event. In addition, we want to thank the Devils for their support of the many events they are involved in that have increased participation,

interest and growth of our sport throughout the State.

From the beginning the Devils organization has shown all of us a continuing, active support of high school hockey and community outreach programs. Their player of the month celebration, youth nights, team nights, along with so many other well planned activities show their commitment to the young men and women of New Jersey.

As host and sponsor of our State High School Hockey Championships and the related activities they organize for that event, the Devils have created a major event that would not be possible without their assistance and generous support. The entire hockey community is extremely thankful for this dedication to our sport.

Carseberg set more than a dozen school, county and league records while collecting 225 points (151 goals, 74 assists) in two seasons at West Windsor-Plainsboro HS. He chose to transfer to Lawrenceville School, where he collected 53 goals and 39 assists in 42 games for a talented Big Red team. He was a first team NJ All Star both seasons at Lawrenceville. Mike Morreale
Contributor

Mike Morreale worked on enhancing the coverage of high school hockey in the Garden State for over 17 years as a sports writer for The Newark Star-Ledger, serving from 1990-91 through 2006-07. His coverage of the state included daily game coverage, a weekly Top 20, annual All-Area and All-State teams, and the All-Century Team in 2000. He covered the sport when there was no separation of tournaments (public/non-public) as there is today and staffed the first state championship series hosted by the New Jersey Devils at Continental Airlines Arena in East Rutherford in 1998. In December 2004, Morreale was honored by the NJSIAA for his contributions to high school sports. In 2008 he earned the Dr. John J. McMullen Award, presented by the NHL's Devils to an individual in support of amateur hockey throughout the state. Morreale, married and the father of two daughters, currently serves as a staff writer for the National Hockey League and its website, NHL.com.

Ben Leuzzi
Contributor

Ben Leuzzi has been involved in hockey for more than 60 years. One of his first experiences was in 1957 when he helped to build an ice rink on Passaic Ave. in Fairfield. A few months later the Willowbrook Rink opened where Ben, at the age of 18, formed a team called the Caldwell Jets and he was the owner, manager and the goalie. The Jets later became part of the Garden State League. A few years later Ben established the Golden Blades hockey team which gave high school players a chance to play hockey year round at a higher level and to get better competitive experience. In the 1970's Ben became involved at Seton Hall Prep with Coach John Warchol as a goaltender coach. He stayed involved by being instrumental in the JV Hockey Program at Seton Hall Prep so that players would have the opportunity to get better and advance to the Varsity program. Ben then began coordinating the JV league which grew to 10 teams in the Essex County area. Ben also coordinated the Seton Hall summer clinics. Ben's son Michael was a goalie at Seton Hall Prep and Providence College. In 1972 Ben opened Verona Sports, where many a young hockey player goes to purchase their equipment and have their skates sharpened by Ben's dad Roland Leuzzi.

Rick Bliwise Contributor

Rick, a huge New York Yankees fan, started full coverage of High School and college hockey for The Star Ledger during the winter of 1978-79. He instituted All-State Teams, Team rankings and the Coach of the Year. Rick had a High School and College hockey column with the paper during the 1980's. A sports writer since the spring of 1973, Rick came up with the idea for the New Jersey High School Hockey Hall of Fame during the winter of 2007-08. He formed a committee to put things in motion for the HOF, and eventually wrote a letter to former Devils owner Jeff Vanderbeek to get the team's support for the HOF. Rick, a history major at Upsala College, has interviewed a number of sports legends over the years. In hockey that included Herb Brooks. In the 1990's, he did PR for the Yogi Berra celebrity golf tournament, an event which helped Scouts with Special Needs. Rick's all time favorite sports figure, Yankee legend Mickey Mantle, appeared at that event for a few years. On the great 1961 club, Rick got to interview Mantle, Berra, Whitey Ford, Ralph Terry, Johnny Blanchard, Moose Skowron, Bobby Richardson, manager Ralph Houk and broadcasters Mel Allen and Phil Rizzuto.

The Gordon Cup has become symbolic of supremacy in High School Hockey. Every high school student who has ever played hockey in the North Jersey Scholastic Hockey League has dreamed of his team winning the Gordon Cup. Each team that wins can boast of having achieved the highest level of skill. The Gordon Cup is a reminder of how the sport of high school hockey has grown in the State of New Jersey from a minor struggling athletic activity to a major sport.
