WELCOME

Welcome to the second New Jersey High School Hockey Hall of Fame Ceremony. The sport has come a long way in the Garden State since the formation of the North Jersey Scholastic League in the winter of 1958 - 59. Only five teams were involved in league competition at that time.

The Sport began to take off after the first state championship game was held in March of 1976 at Mennen Arena, between Brick and Chatham Township . Now there are more than 175 high school hockey teams in the state of New Jersey.

Today, recognition is given to the athletic achievements and exceptional service of 17 individuals and two teams.

Congratulations to all of the 2012 honorees and their families.

The Board of Directors of the New Jersey High School Ice Hockey Hall of Fame would like to sincerely thank the New Jersey Devils for their sponsorship of this event. In addition, we want to thank the Devils for their support of the many events they are

involved in that have increased participation, interest and growth of our sport throughout the State.

From the beginning the Devils organization has shown all of us a continuing, active support of high school hockey and community outreach programs. Their player of the month celebration, youth nights, team nights, along with so many other well planned activities show their commitment to the young men and women of New Jersey.

As host and sponsor of our State High School Hockey Championships and the related activities they organize for that event, the Devils have created a major event that would not be possible without their assistance and generous support. The entire hockey community is extremely thankful for this dedication to our sport.

Co-Chairmen: Paul McInnis & Tony Del Tufo

Vincent Godleski

Official

Vin worked on improving high school and amateur officiating since moving to NJ in 1962. At that time there were only 20 Approved officials in the whole Metro-NJ-NY-CT area and only five rinks. He served as President NIHOA-NJ (1968-1979) and USA Hockey

Atlantic District Referee-in-Chief (1975-1995). He started the first US referee school with Paul McInnis (1965-1990), was integral in making NJ the first state in the US to coordinate USA Hockey and NIHOA referee programs. Vin worked closely with the NJ Devils to develop their support of High School and youth hockey. He also helped many NJ officials to be selected by the NHL, ECAC and other pro leagues. Vin along with Paul McInnis officiated the Bruins-Devils "The Mother's Day game" in the 1987-88 NHL Stanley Cup semi-finals.

Harold Van Cott
Contributor

Instrumental in the creation and operation of Branch Brook Ice Rink and South Mountain Arena, Harold was the Director of Recreation for the Essex County Park Commission from 1955 – 1980. These facilities introduced all forms of ice skating to the County residents. In the early 1960's, he helped organize Branch Brook Hockey, a twice a week clinic highlighted by visits from NY Rangers stars, and the first South Mountain Hockey School. This two week summer event was attended by 77 area players, directed by Paul McInnis, assisted by John Warchol and Joe Hannabach. It featured coaches of Princeton and West Point, NHL Allstar Doug Harvey, and world figure skating champion Hans Gerschwiler. Harold helped bring together the original high school teams that competed for the Gordon Cup and made Friday night High School Hockey at South Mountain Arena a huge success.

Harold Handchen
Contributor

Harold Handchen, who passed away in December of 2006, was one of the most respected people in the history of New Jersey Athletics. The World War II Navy veteran was named the first Athletic Director at Brick Township High School in 1958 and in 1965 he began his service to the state Hockey Committee. He was admired by many for the support he showed to the sports programs at the high school and around the community. Handchen, who was an avid golfer, also started the Brick youth soccer league in 1963. In 1972, he was inducted into the Shore Soccer Officials Hall of Fame and in 2004 he was inducted into the Brick Wall of Fame. Upon his retirement in 1982, the East Gymnasium at Brick High School was renamed the Harold "Hank" Handchen Gymnasium. The Handchen Cup hockey championship began in the winter of 1985.

Kenneth B. Gordon Contributor

Kenneth B. Gordon's life spanned 100 years and hockey was a big part of it. He moved to South Orange from Montreal with his brothers and they brought the new sport of ice hockey with them along with the concept of team play. They played for the South Orange Field Club in the 1890's and Kenneth organized the St. Nicholas Hockey Club in 1896. Today it is the oldest amateur sports team in North America. Kenneth played forward and captained the team for many years. He was named to the All Star Team covering the club's first 25 years. He was instrumental in starting the American Amateur Hockey League in New York City in 1904 and served as an officer. In 1916 he coached the St. Nicks team that starred the legendary Hobey Baker. In his later years Kenneth became an Essex County Park Commissioner and was instrumental in building the rink at Branch Brook Park and South Mountain Arena. In 1959, he donated his most prized hockey trophy to the champions of the New Jersey High School hockey tournament. Today the Gordon Cup is one of the most sought after trophies in New Jersey high school athletics. Handing out the trophy at the annual tournament was one of his great pleasures.

The Gordon Cup has become symbolic of supremacy in High School Hockey. Every high school student who has ever played hockey in the North Jersey Scholastic Hockey League has dreamed of his team winning the Gordon Cup. Each team that wins can boast of having achieved the highest level of skill. The Gordon Cup is a reminder of how the sport of high school hockey has grown in the State of New Jersey from a minor struggling athletic activity to a major sport.
